A POET'S IRE AROUSED.

Joaquin Miller Threatens to Shoot Trespassers on His Country Seat.
SAN FRANCISCO, Cal., Jan. 9.—The hunters of this city have been shooting game on Joaquin Miller's country seat, back of Oakland, and aroused his ire, and the following notice has been conspicuously posted on the place:

"To Gentlemen—These grounds are for my own private use, where I am alone and in seclusion (verbum sap.).
"To Hoodlums, Tramps and Housebreakers—I am again stocking these grounds with imported birds. I also wish to preserve the native ones. Now, as you have no business here, except to shoot, you are treated as thieves and burglars if found on these grounds, and any one shooting at this notice, or shooting in this direction, will be effectively treated as a return."
JOAQUIN MILLER.

The poet was seen yesterday as he was waiting in bed engaged in writing. He said: "On Christmas day, as I was working here, a bullet from the gun of one of these marauders crashed in through the cabin door, and I have made up my mind to shoot the next man I find on my grounds or shooting in my direction. If I am not satisfied with the results, they used to take delight in shooting them to pieces, and my imported partridges did not have time to build nests, but other than that, I am told that my pastor, the gentle Dr. Chapman, recommended prayers, but I say buckshot first and prayers later on."

THE BOONE COUNTY SHORTAGE.

The State University interested to the extent of \$4,000.

COLUMBIA, Mo., Jan. 9.—The official circles of Columbia have been in a ferment for the past two or three weeks. The shortage of the County Treasurer, the arrest of the Sheriff and Judges of the County Court, with the legal proceedings against these officers, have furnished abundant food for earnest thought in the circles concerned. The case against the Judges of the County Court and also that of the Treasurer will be tried at the next term of the Circuit Court, which will meet in February. The shortage of the Treasurer is now estimated at between \$25,000 and \$24,000, of which \$4,000 is the Rollins aid fund for the benefit of poor students who attend the university. J. B. Bohn, President of the university, leaves for Jefferson City, where he will look after various interests in connection with the university. The alumni are organizing in various parts of the State to push the endowment which is being asked of the present Legislature. The F. and L. A. of this county made resolutions on last Saturday asking that part of the school fund be set aside for the highest institution of Missouri's education. This proposition will meet with favor from many warm friends of the University.

Judge John Hinton, President of the Board of Curators of the University, attended court on last Monday, while still far from well. His health is much improved.

The Powder Pool Dissolved.

SAN FRANCISCO, Cal., Jan. 9.—The powder pool, which was organized about eighteen months ago by the principal powder companies for the purpose of keeping up prices, has collapsed and the price of powder has gone down 5 cents a pound. The cause of the dissolution was the competition of Eastern firms outside of the pool.

The Western Boot & Shoe Co.'s establishment, southeast corner of Nineteenth and Olive streets, was entered by burglars last night and twenty-two pairs of shoes, valued at \$60, stolen. LIST OF RUNNERS WHO MADE FAST MILES LAST SEASON.

Gen. Brinker to Sue President Von der Ahe and Others—Ten Cents' Richardson's Debt to Missouri's Light-Weight-Sporting News of All Kinds.

Horses ran a mile in 1:41 and better in 1890 thirty-one times. The year previous forty-two performers earned a like distinction, Maori heading the list with the magical figures of 1:38 4-5. Only two accomplished the feat in 1888, Eolian's 1:40, being the best, but in 1887 four got in this circle, Sturvesant leading with his mark of 1:40. Burch and Swift each ran a mile in 1:41 in 1886, but in 1885 not a single performer covered that distance in such rapid time. Up to date, fourteen horses have run a mile in 1:40 or better, and eight accomplished this feat in 1890, thus making the running season which just closed the banner year of American turf history.

Monmouth Park's straight course is responsible for seven of these records. Racine being the only horse during the year to run a mile in 1:40 or better on a circular track, and of the horses that have now beaten 1:40, which are six in number, he, Ten Broeck, and Maori rank on the old-style course, Salvatore, Raviole and Charlie Post covering a straight track. With the course now in use at Long Branch the runner promises to keep pace with the trotter on his life-shaped track. In the matter of record breaking, the performance last year of Salvatore overshadowed the records of all countries.

The mile ever run in Australia stands to the credit of Flying Pan, he covering the distance in 1:37. Saunterer, Bay Middleton and Glareau are all accounted for, having covered the rowley mile in England, which is a mile and seventeen yards, in the neighborhood of 1:38. English tradition tells of Flying Childers running the distance in 1:36, but it is probable the statement was the donee's enthusiasm, as the record portrays nothing to substantiate such a claim.

The list follows:

Salvatore, by Imp. Prince Charlie, 4 years, 110 pounds, Long Branch, N. J., Aug. 28 (straight course), 1:39 1/2.

BASE BALL.

Fannie S., first; Silent, second; Darling, third. Time, 1:32.

Chicago's grand Auditorium building is to be used for an in-door ball game to-morrow night, a promenade concert taking place in connection with the game. The charity for which the affair is given is the Newsboys and Bootblacks' Association, a most deserving home, of which W. H. Rand is President, and Harlow W. Higginbotham Treasurer. Under these auspices the entertainment is to take place, and already Mr. Higginbotham reports the boxes well disposed of, such men as Ford W. Peck, Victor F. Lawson, G. B. Shaw, John B. Walsh, E. B. Butler, Melville E. Stone, Clarence I. Peck, Dr. F. F. Ziegler, Alexander H. Bevel, Benjamin Allen, W. Rand and others having secured places in which they will put their families, all of whom will appear in full dress. Members of the Paraguit and La Salle clubs have secured choice sections of the circle seats, and these also will appear in evening costume. The floor is splendid for the game. It is the one which is used for the charity balls, and presents an unbroken surface of 15,000 square feet. The house base will come just extending toward the spectators and so placed that all plays may be plainly seen by occupants of the seats.

WILL SUPPORT TWO CLUBS.

The people who assert that Boston or Chicago cannot support two clubs and that two clubs in either of those cities would hurt base ball should refer to the books of Treasurer Whitaker of the Athletic Club of Philadelphia. These show that by good management the club should have made money every year since its organization in 1881. In that year the receipts were \$8,000 and the team salary list \$2,000. Even last season the club, with its weak team and generally demoralized condition, took in \$20,000 and the team salary list \$4,000. All this, too, on a 25-cent admission basis.

THE ATHLETIC FRANCHISE.

PHILADELPHIA, Pa., Jan. 9.—Mr. A. W. Thurman of the Base Ball Conference Committee arrived here last night to listen to the claims of the different aspirants of the Athletic Club of Philadelphia. He says the Association circuit next season would be composed of clubs situated in Washington, Baltimore, Philadelphia, Boston, New York, St. Louis and Columbus, Chicago, Louisville and St. Louis in the West.

GEN. BRINKER WILL SUE.

An interesting document bearing upon the settlement of the present trouble in regard to the American Association circuit has turned up. It is in the shape of a copy of an agreement signed by Messrs. Lazarus, Von der Ahe and Whitaker, in Rochester, N. Y., in January, 1889, to reimburse Gen. Brinker for any losses he might incur in conducting an American Association team in Rochester during the season of 1890. The document is attested by Manager Buckenberger. It is the understanding that Gen. Brinker will at once commence action to recover the money advanced to him to have been lost in Rochester during the past season under the terms of the above agreement.

THE KING.

The local pug is again talking fight. A short time ago Dutch Neil was looking for a go. Then "Ten Cents" Richardson, the champion colored light-weight of the State, issued a challenge to fight Neil for \$200 to \$300 a side and such purse as some athletic club would offer, at the light-weight limit 135 pounds, give or take two pounds. Neil did not reply and now Richardson says he will fight not only Neil, but Mike Mooney or any other light-weight in the State under similar conditions. He will also like to meet Harry Allen, if the latter can get to weight. Richardson says he is sporting for a prize and is willing to battle for a purse or a stake or both.

Billy Zachritz is also out with a challenge to Mike Roedel, the "Caucus." Zachritz says he understands Roedel says he is willing to meet any local man, and Zachritz says he will meet the "Caucus" for \$200 a side.

CAMPBELL'S VISITOR OF THE RING.

Walter Campbell, boxing instructor of the Athletic Club of the Schuylkill Navy, came all the way from Philadelphia last night to enter a protest against the story a wicked drummer told on Saturday concerning his (Campbell's) "four-in-hand" in the Chicago City last Monday with Billy Dacey, says the New York Sun.

According to this traveling man's account, the New Yorker had all the best of the Philadelphia after the first few punches, and the story occasioned general surprise, for Campbell, who, by the way, is son-in-law of Arthur Chambers, by all odds the cleverest light-weight in the country, and for some time has been hunting for Jack McCall's scalp, much higher game than Dacey.

After the first greetings were over, Campbell got down to business and said: "The facts in the case are that instead of two-ounce gloves the regulation four-ounce were used, and instead of it being an interesting and scientific set to it was almost mediocre. After the first round I actually expected the spectators to get up and leave the hall, for I could not make Dacey fight a little bit. It is no credit to me to say I outclassed him, for everything in my favor. The only reason I am attributed to the fight is that I was calculating to do me an injury with the Manhattan Athletic Club to which I have applied for the position of boxing instructor."

JIMMY LARKINS, the 122-pound champion of Jersey City, called at the *Illustrated News* office and issued a challenge to fight Billy Murphy, the Australian, for a purse of \$3,000 before any reliable club in the country. "I've got back and forth \$2,000," said Jimmy, "that I can win this man, and as soon as he arrives in California he will hear from me. I'll fight him at 120 pounds, give or take two pounds, weight in at the ringside. I'm going into the business now for money, and if Murphy is coming here for a fight he can get a match with me without delay."

THEY FIGHT TO-NIGHT.

PROBIA, Ill., Jan. 9.—George Siddons, the light-weight pugilist of Chicago, and "Spartan" Lewis of Troy, N. Y., are in fight to a finish near this city to-night. Arthur Maguire of Toledo, O., is here and will act as referee. The three are in excellent condition. The betting is in Siddons' favor.

COLLEGE ATHLETICS.

Harvard College *Crimson* has this to say about the athletic situation: It is now time to prepare for the spring athletic events and hope by next week to see men at work in good numbers for the crews, the base ball and the foot ball teams. The crews, especially, needs all the help and attention that can be given to it. Rowing, we are sorry to say and almost amazed to have to mention, certainly does have a great boom at Harvard. The crews have so long been beaten that the old story of the "Crimson" rowing can only be revived by some unusual display of energy on the part of the rowing men. We want to see these men go to work with a will, get out a great number of candidates and do everything which brain and muscle can suggest, always bearing in mind the motto which the crew so well understood: "It's to Beat Yale."

The Stoddard Cocked Hat Club was organized last night at McNeary's saloon, Garrison and Easton avenues. The officers elected were: H. A. Pryor, President; Charles B. Lock, Vice-President, and Frank McNeary, Secretary and Treasurer.

At Union Capitol, Hall, Ninth street and Allen avenue, last night quite a throng of Bohemians were assembled to give vent to their indignation against a certain morning paper which some time ago published an article derogatory to the Bohemian race.
